WORKSHOPS

A global society for all members of the pharmacy team in all settings

All four workshops are in two sessions, before and after lunch. All workshops are repeated on the next day. Participants select a different workshop each day.

Workshop 1	What pharmacist prescribing model should be introduced (or extended) in my country?	Thomas Kempen (The Netherlands)
Workshop 2	Linking specialist prescribing roles to growth in research, education & leadership	Fiona Marra (Scotland)
Workshop 3	Prescribing rights for clinical practice - where to start?	Anita Weidmann (Austria) and Freyja Jónsdóttir (Iceland)
Workshop 4	Supporting the evolving scope of pharmacist prescribing practice	Stephen Doherty (England)
